

General Service Representative (GSR) Report

GSRs regularly report to their groups to keep them informed about what's going on in A.A. as a whole. Sometimes the GSR is asked to get the group's feedback on a topic. Groups differ on format and timing: some want the report during the business meeting, some during announcements, some welcome both, and some may decline to hear it at all. Most groups prefer reports shorter rather than longer. — A.A. Service Manual, pg. 10
